

Executive Pay Disclosure

As per the Academies Trust Handbook (2.32), “trusts must publish on its website in a separate readily accessible form the number of employees whose benefits exceeded £100k, in £10k bandings, for the previous year ended 31 August. Benefits for this purpose include salary, employers’ pension contributions, other taxable benefits and termination payments. Trusts may wish to display this information in a tabular form showing in each column salary, pension etc.”

For the financial year ending 31st August 2022:

There were no employees whose benefits exceeded £100k. This was the first full year of the Trust, with staff and schools joining the Trust part way during the year, as such remuneration paid in the year do not reflect the annualized amounts.
