

# Investing in our colleagues so that they can deliver a world-class Catholic education.

An entitlement to high-impact professional development.

## Instructional Coaching

The coaching curriculum ensures success for all teachers through granular improvement steps, each with success criteria, model videos and tasks to support deliberate practice.

## A Fully Resourced Curriculum

Teachers have access to high-quality planning, resources and teaching materials.

Teachers spend more time thinking about how to bring the curriculum to life for their pupils.

## Aspiring Leaders Programme

Participants engage with four St Joseph CMAT leadership modules and select from the national programmes:

- Catholic Senior Leadership Programme [CSLP]
- CCRS
- Chartered Teacher (leadership) Status
- National Professional Qualification in Headship or Senior Leadership

## Transforming Teaching – Ambition Institute

As part of our 2023–2024 improvement offer, we are running the Transforming Teaching Programme with Ambition Institute.

## The SJCMAT Sequence of Learning

- Retrieve, Review and Locate
- Teach New Knowledge
- Analyse the Model
- Practice (Guided and Independent)
- Assess

## Christ at the centre

We look at our whole curriculum through a Catholic lens.

The Trust invests in opportunities through the Archdiocese of Liverpool offer and the North West Hub for Formation.
